ABSTRACT

This bibliography is divided into four sections. The first section lists books dealing with various aspects of basic English instruction, while the second section cites instructional materials available for basic English teaching. The third section cites English dictionaries, and the final section relevant articles. Entries include both American and European publications. Many of the books were published in the '30s, '40s, and '50s. (CLK)

****
* Documents acquired by ERIC include many informal unpublished *
* materials not available from other sources. ERIC makes every effort *
* to obtain the best copy available. Nevertheless, items of marginal *
* reproducibility are often encountered and this affects the quality *
* of the microfiche and hardcopy reproductions ERIC makes available *
* via the ERIC Document Reproduction Service (EDRS). EDRS is not *
* responsible for the quality of the original document. Reproductions *
* supplied by EDRS are the best that can be made from the original. *
